WELCOME

TO THE ABOUT DAM TIME SALE

It is with great anticipation and excitement that we present this offering. It has been 16 years since Llandillo has held an on property female sale and we feel it's ABOUT DAM TIME.

Firstly I would like to welcome and thank our guest vendors JTR Cattle Company, it has been great working with Tim and Jemma putting this sale together

Myself and the team here at Llandillo have been working hard for the past 6 years to get everything back on track and breeding in the direction of soft, easy doing, carcass focused animals on a large frame with a great front end extension. We are determined to breed Hereford cattle focusing on traditional Hereford traits. A product that we are happy to present today.

On offer will be Llandillo's entire Autumn female drop of 32 heifers along with 5 JTR autumn heifers, all halter broke. As well as some exciting new genetics and buyers choice lots.

Selected lots will be on display at Canberra Royal Show for the Hereford feature before the sale and will be entered for Sydney Royal to be shown by or for the new owners if they wish.

We are big supporters of the junior movement and have been for many years now. We have decided to offer an exclusive opportunity to all successful purchasers of female lots.

Llandillo and JTR are offering for all purchased female lots to stay on at Llandillo or JTR respectively to be fed and prepared until the Hereford Youth Show in Cootamundra in July for your child or as a ballot heifer.

The cattle have been weaned and then fed for 60 days on 1% body weight with Quayle milling pellets, with Oaten hay. We are very happy with how the cattle are progressing at time of printing and can't wait for you to see the cattle on sale day. The draft is made up predominately from our 5 walking herd sires including Llandillo Principality and Grathlyn Pacemaker who has been breeding the house down for us and the first calves by Llandillo Ready Ready, JTR Royal and Tycolah Tedesco.

The Autumn JTR heifers are all by super sire Wirruna Qantas.

We are extremely happy with the consistency of these heifers throughout the line up and the natural softness and growth in the cattle.

On sale day we will have on display most of the Autumn calving cows plus our herd sires,

A good selection of our donor cows and our Wodonga and Dubbo bulls, so even if your not in the market right now for a new female we would love for you to come and inspect our herd.

On behalf of John Neradovsky and his family, Claire, Max and myself, We hope you can find the time to make it to our sale. We all look forward to catching up on Saturday the 9th of March.

There will be live music and dinner after the sale so please feel free to stay and enjoy the night with fellow Hereford breeders.

Lee White

What an opportunity to secure a powerhouse Harriette female. The choice is up to you! Pick from either JTRT052 or JTRT056. Their Dam JTRR032 was purchased at the 2022 Dubbo National Show & Sale by Tobruk Poll Herefords. R032 is a full sister to JTR Royal R046 who Llandillo purchased in 2022 and has gone on to do a phenomenal job. Royal daughters also feature in this sale. These sisters are by the sire Maildaburra Jarrah J2 who is known for his consistency and longevity. JTR Jarrah sons have sold to a top of \$16,000 and the Jarrah daughters have amazing udders. Both heifers were PTIC on 25/1/24 to Super Sire Injemira Robert Redford Q287.
