Welcome

A warm welcome to our 2024 Annual Bull Sale.

As you will note from the front cover, this is our 20th year of holding our own bull sale. In some ways it feels like yesterday, and in other ways it seems like a lifetime ago we had our first sale (with Steve and Ally Kajewski initially, and for many years now on our own). The past twenty years has seen big changes and the evolution in many ways of the beef industry. The use of science and geonomics' has advanced in leaps and bounds, and there is so much more data now than was ever dreamed about 20 years ago.

One nice thing about the cattle industry though for all the science is that good cattle are still good cattle, and good cattlemen (young or old, male or female) are still good cattlemen. From our stud's point of view, we are so blessed to have so many of these good cattlemen in our area, and their respective families, support us year after year. As it is a special year for us, we would like to take this opportunity to say a big thank you to those who believe in us, what we do, and what we and our cattle represent.

We too embrace objective feedback and data on carcase and breeding qualities. We use this feedback

to continue to strive to breed good functional bulls for your needs, always targeting the following traits, including:

1. Carcase qualities supported by EBV's and real time scanned data for performance feedback
2. Feedback from entering feedlot trials
3. Fertility based on real time calving intervals
4. Structure for longevity
5. Strength of breeding from sires and dams
6. Sensible calving
7. Quiet temperament
8. Targeted with Central and Western Queensland environment, conditions and cattlemen at the forefront.

We look forward to seeing you at this special 20th year Bull Sale and please stay for complimentary lunch in the renowned Ag-Grow Woolshed. If you are unable to attend, we will be operating under AuctionsPlus again this year. Please also feel free to ring us to arrange on property inspections prior to the sale or to have a yarn about the genetics we have been using.

Jeff and Raelea, Ryan and Rachel Holzward

Sale Information

Inspection:

Inspection of the bulls is most welcome prior to the sale by arrangement and at the Ag-Grow Bull Selling Complex, Emerald Qld, from 2pm the day before the sale.

AuctionsPlus:

Our sale will be interfaced with AuctionsPlus again this year - www.auctionsplus.com.au.

Refreshments & Lunch:

We would like to take time to enjoy the sale and spend time with clients and friends, so please join us for complimentary morning tea prior to the sale and a free post-sale lunch, maybe even a beer or two.

Supplementary Sheets:

All bulls will be scanned prior to the sale by certified scanning technician David Reid for eye muscle area (EMA), rump fat, rib fat and intra muscular fat (IMF). Bulls will also have a sale weight and scrotal size measurements which will all be printed on supplementary sheets and available on sale day or just prior to the sale on our website.

Health and Vaccinations:

Sale bulls are vaccinated with:

- 3 day
- 7-in-1
- 3 germ blood
- Vibrio

The bulls will be Dectomax injected ready for tick clearance.

Sale Day Safety:

Your safety is important to us. Our cattle are quiet however animal behaviour can be unpredictable at times. Noise and large crowds of people can make animals react differently so please be mindful of the bull if you enter their yards. Children should be supervised at all times.

Agents Rebate:

A 4% rebate will be given to outside agents for genuine introductions. (Usual conditions apply).

Delivery:

Free freight available to most local areas, including Alpha, Rolleston, Springsure and Clermont. Bulls can be cleared at Emerald Saleyards if required. Please talk to the agents, Jeff or Ryan for delivery assistance or leave instructions at the registration desk at the sale.

Guarantee:

We back our bulls 100% and are extremely tough on evaluations and making sure the bulls are structurally sound and fertile. All bulls will be semen tested, breeding soundness evaluated and are guaranteed breeders. If a problem occurs against the breeding ability of a bull within the first full breeding year of purchase, a replacement animal of comparable value or bull credit for the following sale will be given if required. Please contact us if you have any issues.

Biosecurity:

Bauhinia Park Studs are currently operating under a J-BAS 6 score. We are aware of the industry requirements and have a plan in place. We are willing to meet the needs of purchasers. A health declaration will be provided with the usual NVD on sale day.

Breedplan:

Our studs are Breedplan recorded, and EBV's are printed in the catalogue.

Disclaimer:

Every care has been taken during the compilation of this catalogue to ensure that the information is correct. However, no responsibility will be accepted for errors that may have occurred.

Charolais Bulls

Lots 1-45

*Retained sire - Bauhinia Park Tribute (P) (R/F)
Mario x Lastovski x Dozer bloodlines.*

Welcome to our Annual Bull Sale.

We are very excited about the draft of bulls on offer for 2024, our anniversary sale. The quality and consistency throughout the catalogue are testament to our commitment of Charolais breeding for the past 20 years, and we are very happy with how the Charolais herd is sitting today.

After all the years of breeding Charolais our philosophy remains simple - breed high performance cattle with the right fundamentals. We place a huge emphasis on fertility & constitution within our cow herd to ensure these traits are passed down the line through to commercial producers that buy our bulls. Weight for age, natural muscling, good temperament, and ability to finish are also key traits we aim to breed in our bulls. We work hard to source the best possible sires to add to our operation that suit the needs for our area and the objectives outlined above.

We continue to receive good feedback about the progeny of our bulls, consistently topping the Emerald weaner and feeder sales and gaining good feedback in feedlot competitions. We believe the Charolais' place in a herd is to add muscle, weight and yield, without sacrificing desirable carcass traits.

The bulls on offer this year are true industry focused beef bulls with the great shape and the constitution we strive to produce. They are well developed, fit, healthy and ready to work, and we are extremely confident they will perform well for their new homes. The 45 Charolais bulls in the sale include 25 polls and 8 red factors. The sale team features some exciting new and proven genetics from our sire battery, with the main bloodlines including quality sons of 4 Ways Mario (P), homebred calving ease sire Patriot (P) and new high performance AI sire Ascot Recharge (PP).

Please feel free to come and inspect the bulls any time prior to the sale via appointment with us or jump online to view photos and videos of the bulls.

Hope to see you August 21st.

Ryan & Rachel Holzward

Reference Sires

4 Ways Mario (P) (R/F)

S: TR Red Smoke (P) (R/F)
Sire: Moongool Jag (P) (R/F)
D: Moongool Rose

S: 4 Ways Adoo
Dam: 4 Ways Annette D72E
D: Mount William Annette

June 2024 Australasian Charolais Single-Step Breedplan

	Birth Wt.	200 Day	400 Day	600 Day	Mat. Cow	Milk (kg)
EBV	+1.1	+6	+14	+11	+15	+4
Acc	73%	89%	83%	81%	71%	56%

We can't say enough about the positive impact Mario is having on the stud. He is passing on his same eye catching phenotype, soft muscle pattern and overall balance onto his progeny.

The Mario daughters are proving to be excellent breeders, they have beautiful udders and plenty of milk. Some of his daughters weaned calves over 400kg's this year on their first calf.

His sons are good honest soundly made bulls with that extra touch of class. Some of Mario's very best sons yet are included in this sale, just take a look at Lot 3!

Pictured left: Mario at 18 months.

ANC Q Pac (P)

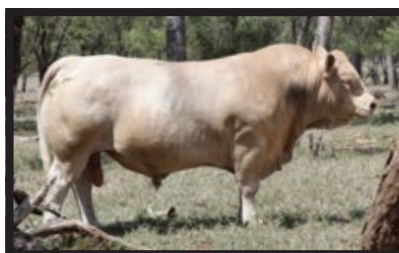

S: ANC Flair (P)
Sire: ANC Mac (P)
D: ANC Cosmos Illusion

S: Sedalia Chancellor
Dam: ANC Wilmuri
D: Nargoon Milmur

June 2024 Australasian Charolais Single-Step Breedplan

	Birth Wt.	200 Day	400 Day	600 Day	Mat. Cow	Milk (kg)
EBV	+0.4	+11	+13	+18	+37	+2
Acc	82%	84%	72%	70%	66%	45%

Q Pac was purchased as the standout bull from the 2021 ANC sale for the top price of \$45,000. Q Pac is polled, Full French & without a doubt one of the most consistent sire's we have used to date. Q Pac is unique for his thick, deep body of beef, yet remains so soft and supple with a brilliant head carriage and ton of sire appeal. He also has a beautiful temperament and great mobility which he is passing onto his progeny. We're very happy with the Q Pac sons in this year's sale, they are real crossbreeding machines!

Pictured left: Q Pac's sire - ANC Mac (P).

June 2024 Australasian Charolais Single-Step Breedplan						
	Birth Wt.	200 Day	400 Day	600 Day	Mat. Cow	Milk (kg)
EBV	+0.1	+26	+45	+60	+58	+7
Acc	93%	86%	83%	82%	75%	61%

We were losing bidder on Recharge in the 2021 Ascot sale when he sold for \$46,000 to a stud in WA. We later had a chance to secure some semen and will continue to use him selectively in AI programs. Recharge has a spread of breedplan data second to none with his moderate birth, explosive growth and impressive carcase attributes. The Recharge sons in this year's sale are big, strong polled bulls with plenty of shape and performance.

Pictured left: Recharge son - Lot 12 Bauhinia Park Torpedo (PP).

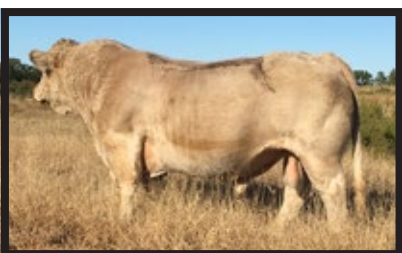

Bauhinia Park Patriot (P) (R/F)

S: Palgrove Charm (AI) (ET) (P)

EBV	-0.9	+11	+23	+28	+30	+3
Acc	71%	80%	73%	74%	70%	64%

Patriot was our sale topper in 2020 selling to Wyntoon farming partnership. We used Patriot over our maiden heifers with great results. His progeny are easy calving, born small with plenty of vigour and grow into real carcase machines. He is well represented in this year's sale - the Patriot sons come highly recommended.

Pictured left: Maternal Grandsire of Patriot - Bauhinia Park Jasper (P).

Lot 1 Bauhinia Park Transformer (P) (R/F)

Registered Bull - BPA: Free ID: BAU22T72E

EBV	+0.6	+14	+25	+27	+22	-1
Acc	59%	68%	62%	61%	53%	48%

Comments: Beautiful polled red factor bull to start our 2024 sale. He is long as a train with great head carriage, neck extension and strong topline. Very sound bull that is mobile on his feet and legs with a well rounded hindquarter. His dam was a great addition to our herd, she always calves early and produces quality. Definitely one of our favourites, don't miss him early!

Pictured right: Maternal sister, Bauhinia Park Nannette 5 (P) - Equal top price heifer at the Toowoomba Charolais Invitation Female & Genetics Sale 2023.

Purchaser: Price: \$.....

Lot 2 Bauhinia Park Trilogy (P/S) (R/F)

EBV	-0.1	+9	+20	+26	+29	0
Acc	60%	66%	59%	59%	53%	46%

Comments: Top quality red factor Patriot son with plenty to offer. A very diverse type of bull whose progeny will suit a range of markets. Long bodied with plenty of muscle expression but still carries extra depth, softness and ability to lay down some finish. Stems from a wonderful pedigree going back to Palgrove Hallmark and Seminole, two bulls that are renowned for their calving ease and maternal traits, this bull should be a real cow maker.

Purchaser: Price: \$.....

Lot 3 Bauhinia Park Target (P/S) (R/F)

Registered Bull - BPA: Free ID: BAU22T122E

EBV	+0.9	+15	+26	+33	+39	+1
Acc	60%	67%	62%	63%	54%	44%

Comments: Here's a bull with some serious shape and sire appeal! We think Target is undoubtedly one of the best, thickest and most exciting bulls we have offered. Carries wonderful natural muscle expression right throughout his body of beef, yet still remains soft and supple with a brilliant slick skin type and great feet and legs. Out of cow that is breeding very well with a near perfect udder and teat placement. A real all-rounder and absolute family favourite. Stud sire potential. This bull is hard to part with.

Purchaser: Price: \$.....

Lot 4 Bauhinia Park Treasure (R/F)

Registered Bull ID: BAU22T111D
Birth Date: 20/09/2022 Colour: Red Factor

EBV	+1.4	+12	+22	+28	+43	+4
Acc	51%	63%	57%	56%	54%	46%

Comments: Mario has certainly left his stamp on this year's sale bulls. This is another top quality young bull with a wonderful strong head and real sire's presence. Clean fronted with plenty of length, growth and performance for his age. Very strong through the barrel which carries through to his well rounded hindquarter. Dam has been one of our most consistent producers with a lovely udder. Comes highly recommended!

Purchaser: Price: \$.....

Lot 5 Bauhinia Park Tradition (P)

Registered Bull - BPA: Carrier **ID:** BAU22T33E

June 2024 Australasian Charolais Single-Step Breedplan

	Birth Wt.	200 Day	400 Day	600 Day	Mat. Cow	Milk (kg)
EBV	+0.5	+6	+11	+19	+29	+4
Acc	62%	67%	58%	58%	52%	41%

Comments: The first of the \$45,000 ANC Q Pac sons to be offered and isn't he a beauty. Tradition carries a heap of bone, muscle and softness with great finishing ability and a silky smooth coat. Dam is one of my favourite cows who has weaned another outstanding heifer calf, also by Q Pac. Maternal strength, sire's presence and awesome temperament - this bull ticks a lot of boxes.

Purchaser: Price: \$.....

Lot 6 Bauhinia Park Texas (P/S)

Registered Bull - BPA: Carrier **ID:** BAU22T42E

EBV	+1.1	+17	+23	+37	+62	+2
Acc	62%	66%	58%	58%	51%	40%

Comments: Another Q Pac son right off the top shelf, this time out of a lovely roomy Lastovski female. Texas is long bodied, slick coated and full of red meat. Displays great spring of rib with added cover and that big trademark Lastovski hindquarter. A very well natured bull that is keen and eager to get to work, yet like all the Q Pac sons he is a no fuss type and nice to have around.

Pictured right: ANC Lastovski - Sire of Lot 32 and Maternal Grand sire of Lots 6, 9, 34 and 45.

Purchaser: Price: \$.....

Lot 7 Bauhinia Park Tornado (P/S)

EBV	+1.7	+22	+32	+52	+68	+6
Acc	63%	67%	59%	58%	56%	45%

Comments: Just take a look at the extra rib and volume here. Tornado carries a beautiful big, deep body of beef with a slick skin type and great mobility for a bull of his capacity. Out of one of our favourite Dozer/W31 cows that has bred the house down for us. Born small with explosive early growth, this bull holds the record for one of heaviest weaners we have ever produced, coming off his dam at just over 500kg's at 9 months of age off the buffel!

Pictured right: Pre-weaning photo of Tornado with dam, Bauhinia Park Natalie 7.

Purchaser: Price: \$.....

Welcome to the Angus section of our sale.

Bauhinia Park Angus is a little newer than the twenty years we have been holding our own sale. Initially we were straight Charolais, and while we still love the Charolais breed and what the crossbreeding vigour does, it also became obvious that Angus too would play a very important role in the beef industry.

So around 15 years ago we invested significant time and resources in developing an Angus stud with Central and Western Queensland in mind. We bought multiple Angus cows from various studs and undertook AI and Embryo programs with a view to finding Angus bloodlines and females that adapted and indeed thrived in this semi-arid environment. We took no prisoners, and regardless of reputation or the cost of acquiring certain females and stud bulls, we culled everything that didn't adapt. We now have multiple generations of cows that have proven they belong here. These cows provide us with the predictability required to meet industry objectives, with the added certainty of their bull progenies adaption to this area.

Without doubt and as quoted so many times, depth of breeding is so important in maintaining a cow herd that will breed consistent, value adding bulls for you, the commercial breeders, that fuel our industry. Of course it's not easy, and while being unrelenting for the need for adaption to our CQ environment, we also must be able to produce bulls that put progeny on the ground that meet the current beef industry carcass requirements. We love this challenge, and take it very seriously so we can provide you with bulls that will help you produce calves that fulfill market specifications from weaners, backgrounders, and to bullocks if required.

For the 2024 bulls presented this year, we are very happy with their balance and performance and look forward to catching up with everyone at the sale. As was said in the opening, should you not be able to attend then you will be able to follow us, view the sale, and bid if required on AuctionsPlus.

Jeff & Raelea Holzwart

Reference Sires

Bauhinia Park M38

S: SAV Thunderbird 9061
Sire: Glenmorgan Thunderbird H248
D: Wattletop Dandloo A129

S: Booroomooka Net Worth G10
Dam: Bauhinia Park J93
D: Bauhinia Park G16

M38 is the son of a bull we had a lot of success with in H248 (many knew him by his nickname 'Gus'). We retained M38 as we believed he was such a complete animal due to his structure, muscle pattern, overall appeal and 'do-ability'. He has not disappointed. His sons in this sale are a testament to this.

Likewise, his females are beauties with great udders, and are producing really well almost regardless of the sires we put over them.

Unfortunately M38 was lost to us this year, but will have sons in this and next year's sale, and you will see his breeding in his females for generations to come, such is the stamp he leaves.

Mid July 2024 Angus Australia Breedplan												
	Birth Wt.	200 Day	400 Day	600 Day	Mat. Cow	Milk (kg)	Carcase	EMA	Rib Fat	Rump Fat	Beef Yield	IMF
EBV	+7.1	+62	+109	+142	+154	+10	+75	+1.0	-2.3	-2.7	+1.2	-0.5

Glenmorgan Big Sky P236

S: Connealy Earnan 076E
Sire: Musgrave Big Sky
D: SAV Primrose 7861

S: JMB Traction 292
Dam: Glenmorgan Traction Lady L276
D: Glenmorgan Rockn D Lady D18

Sometimes a super Sire comes along that has impacts on many herds world wide. Musgrave Big Sky is such a sire. He was highly thought of and had a global impact on studs like Wattletop, Australia and many notable Studs in the USA. P236 is a Musgrave Big Sky son.

P236 was selected for his breeding and balance. He was used in his first year over a variety of female genetics. Again, like M38, he crossed awesomely with just about every female regardless of their breeding. P236 cattle just get stronger and stronger as they grow, and his sons will add do-ability, length, carcass and weight for age that will shine through from weaners to backgrounders and all the way to bullocks.

Mid July 2024 Angus Australia Breedplan												
	Birth Wt.	200 Day	400 Day	600 Day	Mat. Cow	Milk (kg)	Carcase	EMA	Rib Fat	Rump Fat	Beef Yield	IMF

Gilmandyke Newsflash Q101

S: HPCA Proceed
Sire: Ben Nevis Newsflash N239
D: Ben Nevis Jean H215

S: Gilmandyke Fingal F223
Dam: Gilmandyke Eutesca H241
D: Gilmandyke Esca F244

We became aware of Q101 three years ago and loved his length, carcass data and his athleticism to cover cows. His first sons sell this year.

His half-brother Ben Nevis Rambo, also by his Newsflash sire, has also been kicking goals in the

Angus industry. This speaks volumes for Q101's pedigree and he will pass this on to his progeny. His sons will be able to be seen in following sales as he has been one of our four or five most used sires in the past two years.

Mid July 2024 Angus Australia Breedplan

Sire: Tehama Revere
D: Tehama Elite Blackbird T003

S: S Summit 956
Dam: S Queen Essa 248
D: S Queen Essa 0131

Powerpoint was a bull that Jeff saw on his USA trip 8 years ago. He was only an 18-month-old calf back then, but had all the makings of a top young sire, with data figures to match. Since then, he has become a "go to" bull in both the USA and Australia and has stamped many offspring with great attributes.

When Jeff saw a very nice son of his in R239, he bought him with confidence. R239 has some very nice sons in this sale.

Powerpoint bloodlines will appear in years to come in our sale, as we have been fortunate to have acquired some of his daughters to go into our breeding program.

Lot 57 Bauhinia Park N57 T49

Registered APR Bull ID: ART22T49
 Birth Date: 30/07/2022 Colour: Black

S: Kansas Aberdeen L82
 Sire: Bauhinia Park Harvester N57
 D: Bauhinia Park Miss Net Worth K43

S: S A V Thunderbird 9061
 Dam: Bauhinia Park K293
 D:

Comments: Another big growthy type of bull that carries a heap of natural carcass with plenty of spring of rib. Ticks a lot of boxes with his extra weight gain, soft muscle pattern and ability to lay down fat cover. Pedigree suggests suitable for use on heifers.

Mid July 2024 Angus Australia Breedplan

18-19 Month Old Angus Bulls

Lots 85-90

This year we have selected 6 special younger Angus Bulls for the back end of our catalogue. These young bulls are 18-19 months of age, very well developed and we believe could potentially be some of the better bulls in the entire Angus draft.

They weren't registered as calves so won't have breedplan data, however their depth of pedigree will speak for themselves. They are out of some of our better old cows and backed by our performance driven sire lines. They would be a great option to join with heifers or cows later in the year!

(Pictured above: P236 - Sire of Lots 54, 56, 64, 67, 85, 86, 87 and 89 - with one of his girls)

Lot 85 Bauhinia Park U202

Herd Bull ID: ARTU202
Birth Date: 12/01/2023 Colour: Black

S: Musgrave Big Sky
Sire: Glenmorgan Big Sky P236
D: Glenmorgan Traction Lady L276

S: Booroomooka Net Worth G10
Dam: Bauhinia Park J93
D: Bauhinia Park G16

Comments: First of our 18 month old bulls and isn't he a ripper. Long with a heap of bone and weight for age. He shares the same dam as super stud sire M38!

Purchaser: Price: \$.....

Lot 86 Bauhinia Park U206

Herd Bull ID: ARTU206
Birth Date: 18/01/2023 Colour: Black

S: Musgrave Big Sky
Sire: Glenmorgan Big Sky P236
D: Glenmorgan Traction Lady L276

S: SAV Ten Speed
Dam: Bauhinia Park Miss Ten Speed P81
D: Bauhinia Park E108

Comments: A young bull with a power of growth and bone all backed by a brilliant pedigree. Out of a lovely SAV Ten Speed female.

Purchaser: Price: \$.....

Lot 87 Bauhinia Park U204

Herd Bull ID: ARTU204
Birth Date: 24/01/2023 Colour: Black

S: Musgrave Big Sky
Sire: Glenmorgan Big Sky P236
D: Glenmorgan Traction Lady L276

S: Millah Murrah Klooney K42
Dam: Bauhinia Park Fancy R18
D: Kansas Fancy J139

Comments: This is a young calf we have plenty of time for. He just keeps getting better. This bloke will grow into a very impressive sire!

Purchaser: Price: \$.....

Lot 88 Bauhinia Park U208

Herd Bull ID: ARTU208
Birth Date: 20/01/2023 Colour: Black

S: S Powerpoint WS 5503
Sire: Glenmorgan Powerpoint Man R239
D: Wattletop Usual M48

S: Bauhinia Park Thunderbird M38
Dam: Bauhinia Park R57
D: Bauhinia Park K51

Comments: Take a look at the natural muscle pattern and rounded hindquarter on this young bull. Pedigree suggests suitable for use on heifers.

Purchaser: Price: \$.....

Lot 89 Bauhinia Park U203

Herd Bull
Birth Date: 08/02/2023 ID: ARTU203
Colour: Black

S: Musgrave Big Sky
Sire: Glenmorgan Big Sky P236
D: Glenmorgan Traction Lady L276

S: Kansas Equator E201
Dam: Kansas Jedda G166
D: Kansas Jedda E118

Comments: A very smart P236 son out of a lovely feminine cow that has served us very well. Pedigree suggests suitable for use on heifers.

Purchaser: Price: \$.....

Lot 90 Bauhinia Park U210

Herd Bull
Birth Date: 14/02/2023 ID: ARTU210
Colour: Black

S: Bauhinia Park Upward L7
Sire: Bauhinia Park Real Deal R16
D: Bauhinia Park Leah N53

S: SAV Thunderbird 9061
Dam: Bauhinia Park K300
D: Bauhinia Park

Comments: A quality Upward grandson to end the sale on. A stylish calf with serious natural thickness. Pedigree suggests suitable for use on heifers.
