## 8TH ANNUAL ON PROPERTY RAM SALE

*Welcome*

Hi and welcome to the 2024 Boxleigh Park sale.

A lot has happened since last year's sale in an upward and positive direction both on and off farm!

As each breeding season goes by, we are seeing the genetic potential of our sheep grow and become more resilient, easier to maintain and generally more enjoyable to run.

Close attention has been paid to fine tuning our carcass and wool quality and finding that perfect balance all the while keeping our focus firmly set on the profit drivers of today's markets. We've fixed our sights on breeding & producing for maximum dollars in every area of our operation.

This year we also offer 200 maiden ewes within the sale. These girls are a rare opportunity to jump into some highly sort after Boxleigh Park female genetics.

Our 2024 sale Ram line up showcase all the hard work that has gone into our genetic selection & we are really proud to offer them to you.

*Hugh & Lyndsey Taylor*
