# Kentish Downs Poll Dorsets

## Welcome to our Annual On-Property Ram Lamb Sale 160 Lots

Our family extends heartfelt thanks to our clients for their support during the 2023 ram selling season. Celebrating five years since acquiring Kentish Downs Poll Dorset Stud, we are proud of our growth from 300 to 1,100 ewes lambing in 2024, demonstrating our commitment to excellence in breeding.

For the second year in a row, we've achieved a **5-star data quality score** from Sheep Genetics, reflecting our dedication to superior genetic standards and data integrity. We've recorded DNA for all 1,100 ewes, ensuring the pedigree of every lamb is guaranteed, with birth weights and genomics tests focusing on key traits like eating quality.

# Using the TCP Index - The Money Making Index

The TCP index, unlike Carcass Plus, is on a scale that is aligned with other Sheep Genetics' indexes and is represented in **economic terms** with a **unit increase in the index reflecting an additional dollar per ewe joined per year** (*Australian Poll Dorset Association*).

To assist in comparing rams, Sheep Genetics recommends using a percentile band table as reference. The figure below, which is based on the percentile band table, highlights the TCP index value for each ram on offer at our sale.
