PERFORMANCE, PROFITABILITY & LONGEVITY

Welcome To Our 2025 Sale

Welcome to our annual on-farm Stud Simmental Fleckvieh sale. This year, we proudly present a selection of top-quality cattle, backed by strong genetics and proven performance. We are confident you will find something to enhance your herd.

We are delighted to welcome you to our home and to share this annual event with you. We are passionate about our ongoing breeding program, with a strong focus on performance, profitability, and longevity. If you would like to view the cattle prior to the auction, please reach out. We look forward to hosting you and hope you enjoy our hospitality.

It is with great honour that we ensure the best care and attention to our cattle. All cattle have received required vaccinations, including 7-in-1, pesti-virus, tick vaccine, worming, and lice treatments.

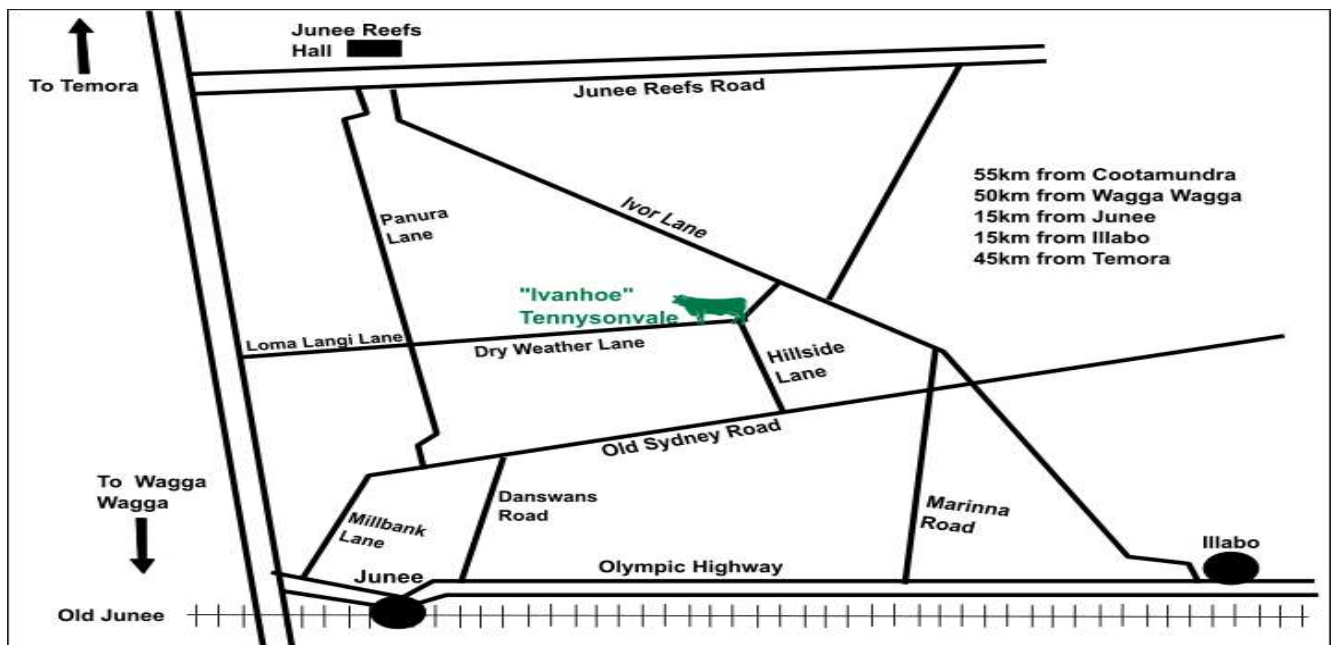

In 2025, we proudly present another exceptional lineup of heifers, featuring 42 unjoined females, including eight confirmed as homozygous polled. Our bulls are carefully selected to suit a variety of herds, ensuring strong performance and adaptability. This year's offering includes 29 high-quality bulls, with nine confirmed as homozygous polled.

The battery of stud sires being used for this years sale are: Yerwal Est Quality Kid (P) (ET), Tennysonvale Slick (P), Tennysonvale Quality (P), Tennysonvale Muscat (P), Rowlon Park Pirelli (P), Tennysonvale Ron R52 (P), Woonallee Redemption (PP) and last but definitely not least, Tennysonvale Kip (PP). Tennysonvale Kip (PP) passed away late in 2024, therefore this progeny will be his last offered. He has made a huge impact on our herd and many others around the country, don't miss out.

The beginning of the year saw the farewell of a close friend and keen customer, Graeme Smith. Over the years, Graeme and his wife, Jean have been avid supporters of Tennysonvale, and Graeme will be dearly missed. We are glad to offer Warrowie genetics in our sale to continue his legacy.

We are thrilled with the ongoing growth and quality of our stud and look forward to what the future holds for Tennysonvale. A warm welcome to all past buyers, under-bidders, and newcomers—we truly appreciate your support and interest. Thank you for joining us, and we hope this year's sale is a successful and rewarding event for everyone involved.
