# Welcome

## Welcome to Righttime Farms

Established in 2019, Righttime Farms is a proud family-run operation built on strong values and a commitment to breeding quality livestock. Our focus is on producing cattle with excellent docility, low maintenance requirements, and consistent, profitable performance.

At Righttime Farms, predictability and practicality are at the heart of our breeding program. We aim to deliver cattle that not only thrive across a range of environments but also meet the long-term needs of commercial and stud operations.

Equally important to us is our commitment to customer satisfaction and service. The door doesn't shut when an animal leaves our farm—if there's ever an issue, we'll do whatever we can to resolve it. Building lasting relationships with our clients is just as important to us as producing dependable cattle.

AuctionsPlus will be conducting the sale online through a timer, and bids can be placed using your online account or with the JJ Dresser Agents on the day.

We are offering free transport across NSW for all lots and ask that any interstate buyers contact us for delivery options we can offer you.

All lots will be available for viewing from 10:00am at Righttime Farms (163 Tallarook Road, Cowra) on the 8th of August. Light refreshments and food will be available on the day also.

We are also excited to welcome the Hindmarsh family of Hindmarsh Angus, Cowra NSW to be guest vendors at our sale. We feel their commitment to quality genetics, sound breeding principles, and shared values in livestock production enhance the diversity and calibre of cattle on offer, and we thank them for their involvement.

Thank you for taking the time to consider our offering. We look forward to supporting your success with cattle you can trust.

Jai, Annika, Layla, Myles & Leyton Wynberg

## **Sale Information**

### **Inspection**

From 10:00am on sale day Friday 8th August 2025. Prior inspection welcomed by appointment with vendors or agent.

### **Sale Details**

The sale will be held online via AuctionsPlus ([www.auctionsplus.com.au](http://www.auctionsplus.com.au)). Videos and/or photos of all lots will be available on the sale listing on AuctionsPlus. Lots will be sold via Helmsman Auction. The sale will open at 9:00am AEDT on Friday 8th August and will run until 1pm AEDT Friday 8th August, where the timer will then take control of the auction. When the auction opens, all lots are on the market simultaneously. You can bid on any lot, regardless of lot number.

### **Buyers Registration & Sale Conditions**

Buyers will be required to register as a bidder on AuctionsPlus. Please note, any first-time users will need to complete the buyer induction which takes approximately 30 minutes to complete online. Please ensure you give yourself enough time to complete this prior to the sale.

Live lots will be sold on a per head basis. Genetic lots will be sold on per embryo/straw basis and will be multiplied by the number of embryos/straws offered in the lot. All sale lots are sold exclusive of GST. If you require any assistance with using the online bidding system, please contact the selling agents, vendors or the AuctionsPlus team prior to the sale.

### **Insurance**

Purchases become the responsibility of the successful buyer at the close of the auction. While all care will be taken by the vendors, we recommend buyers insure their purchases. Please contact the selling agents to arrange insurance.

### **Health**

Righttime Farms is JBAS score 6. All lots have been drenched, 7in1 vaccinated and given Multimin Evolution. Please do not hesitate to contact Righttime if you would like to discuss our breeding and health program.

### **Breeding Information**

Further animal information is available by visiting the online sale catalogue at [www.angusaustralia.com.au](http://www.angusaustralia.com.au). Updated supplementary information will be available sale day.

## Transfers

All are eligible for transfer by the Angus Society or Limousin Society into the buyers name. Please provide the name, herd id and address so transfers can be completed.

## Delivery

Cattle will be available for delivery from Saturday 9th August. All genetic lots are stored at Righttime Farms and shipment is to be arranged by the purchaser.

## Transport

We are offering free transport across NSW for all lots in the sale and ask that any interstate buyers contact us for delivery options we can offer you.

## Visitor Health and Safety

All persons who attend the property do so at their own risk and the vendor assumes no liability, legal or otherwise, for any accidents which may occur.

**Comments:** A homo polled, thick-made, heavy-bodied bull with plenty of softness and spring of rib. He ranks in the Top 10% for IMF, offering added carcass value. A practical, easy-fleshing sire with strong commercial relevance and great show steer breeder. Pictured at 13mths.
