Dear Friends and Breeders,

I would like to welcome you to the 32nd Annual Londavra Bull Sale Catalogue. It is a pleasure to invite previous buyers and prospective buyers to view the bulls in the 2026 Sale.

We have had a fairly dry season with a frosty cold winter and well below average rainfall for the Spring.

This year we are presenting two new sire lines – Banquet Top Deck T020 and Banquet Torney T008 and are really impressed with their progeny. Top Deck is a super thick sire with a magnificent temperament and weighs 1250 kg. He is extremely sound with a strong head and sound feet. The bone, head and body mass on the Top Deck calves are magnificent.

Banquet Torney calves excel for length with a bit more frame and are super smooth. We bought Torney as a low birthweight sire but when his calves hit the ground they just power ahead. We have been using him over the younger cows with excellent results. Being out of a Banquet Dream cow his heifer calves look great.

The balance of the bulls are by AI sires KO Teleporter T245 and Chiltern Park Moe M6 and the natural calves by Texas Beast Mode Q725, Circle 8 Paratrooper R553 and Circle 8 Rearview Mirror P105. These are up there with the best.

Top Deck was the top priced bull at the Banquet 2023 Spring sale at \$42000 and Banquet Torney brought the second top price of \$30000.

These purchases were followed by Banquet Uplift U005 and Banquet Unfold U045 which brought the second and third top prices at the Banquet 2024 sale of \$24000 for U045 and \$22000 for U005. U5's full brother U008 was sold at the Banquet 2025 sale for \$64000. U005 and U045's calves on the ground are showing great promise.

We had our first small pull of steers at 495 kg to Tas Feedlot in early December, by mid January the next draft of 27 averaged 499.25 – some steers were left at home because they were overweight. This was an excellent result considering the mediocre season.

Cattle prices have improved in the last six to eight months and the beef industry is looking promising. This gives buyers confidence to invest in good bulls for the future.

We have confidence that Londavra bulls will add weight and size to your calves to maximise your profit.

Nutrien are again selling by Auction and the sale will be interfaced with AuctionsPlus. Phone bidding will also be available.

Regards

David Young
