Welcome

This year marks an exciting milestone for our team as we proudly present our very first line up of working dogs. Bringing this sale together has been a significant step for Boulton's, and we are thrilled to share the result of years of breeding, training and hard work with the wider working dog community.

Each dog in this catalogue reflects our commitment to quality, reliability and performance. We understand the vital role a reliable working dog plays in day-to-day livestock operations. Our aim in hosting this sale is to offer buyers access to proven dogs suited to real working environments, while also creating a trusted marketplace for vendors to showcase the strength of their breeding and training programs.

We sincerely thank our vendors for their support in helping launch this inaugural event, and we extend a warm welcome to all buyers attending. We encourage you to take the time to study the catalogue, inspect the dogs and speak with vendors and our team on sale day.

We look forward to building this sale into a strong annual fixture and appreciate your support in making our first Working Dog Sale a success.

Pre Bidding

To assist prospective buyers, pre-sale bidding will be available through AuctionsPlus.

We understand that most buyers attend a sale with a clear budget in mind. For example, if Lot 10 is your top selection and you have allocated a budget of \$8,000, you may also have picked Lots 3 and 7 as your second and third preferences.

If you wait until the live auction and Lot 10 exceeds your \$8,000 budget, selling for \$12,000, you may find that Lots 3 and 7 have already been offered and sold, leaving you without the opportunity to secure an alternative.

By participating in the pre-sale bidding process, you can approach the sale with greater flexibility. If bidding on your first preference moves beyond your budget early, you still have time to activate your plan B or plan C and confidently pursue your next selections.

We believe pre-sale bidding is a practical tool that allows buyers to manage their budget, plan strategically, and make well-considered purchasing decisions.

PLEASE NOTE: Not all vendors are GST registered. This will be clearly indicated throughout the catalogue. This sale will be conducted as a GST-exclusive sale, with 10% GST added to the purchase price at the time of invoicing where applicable.
