LIVESTOCK

WELCOME TO TATTYKEEL'S ANNUAL ANGUS SALE

The Gilmore family and Tattykeel Team would like to thank you for joining us for our Annual Angus Cattle Sale.

Tattykeel Angus was established in 2014 after falling in love with the Miller Wilson Angus herd, which is based in Canada. Since that day we have continued to import embryos and semen out of the top end of Miller Wilson's program.

Tattykeel bring the same breeding principles to our Angus cattle as our sheep studs, focusing on line breeding animals and condensing positive traits in both phenotype and genotype. Our objective is to breed soft, easy doing animals with good muscle pattern and carcass shape, body depth, moderate frames, with good conformation and the ability to finish on pasture.

We are extremely proud to offer an elite line of bulls and females for your consideration.

If you have any questions about the cattle, please don't hesitate to ask one of the Tattykeel Team or our Agents.

Please enjoy the day.

SALE TYPE

Sale will be conducted online with AuctionsPlus as a Simultaneous Sale. The sale will open at 1pm, and the timer will commence at 2pm on Wednesday 22nd April 2026.
