2nd August 2023,

Pregnancy Diagnosis Certification

This letter certifies that 129 Angus cows owned by Leeton Grazing Pty. Ltd. were pregnancy diagnosed by a veterinarian on the 2nd August 2023.

It was found that all 129 head were pregnant at the time of examination, with gestational ages ranging from 6 to 14 weeks.

Please feel free to contact Manilla Veterinary Clinic with any queries.

Kind regards,
